Advertisement for Engagement of "Expert Consultant" in Brahmaputra Board

Applications are invited from eligible and willing individuals for engagement as **"Expert Consultant"** on the field of works as detailed below on fixed remuneration initially for a period of one year at a time, from the date of engagement, which may be extended or curtailed as per functional need.

2. Qualifications & Age Limit

The posts are classified into following categories. The eligibility qualifications, experience and number of posts for each category is given in the table below. Maximum **Age limit** - 62 years on the last date of submission of application.

2.1 Eligibility: Interested candidates, who are citizens of India and fulfilling the eligibility criteria (educational qualification, experience and age) as detailed below may submit their CV in prescribed format enclosed at Annexure-A:

Name and number of post(s)	Roles & Responsibilities	Qualification & Experience	Emoluments*	Place of Posting (in Brahmaputra Board)
1	2	3	4	5
1. Operational Consultant (GIS & Remote Sensing) (One)	1. Involved in resource mapping, preparation and integration of GIS datasets, Integrating global satellite-derived data, hydrologic applications, 3D analysis and customization. 2. GIS and Remote Sensing Analysis: Conduct spatial analysis, mapping and data visualization to support Brahmaputra Board's projects. 3. Data Management and Integration: Manage and integrate GIS and remote	M. Tech in RS & GIS (WR) With Minimum 5-8 years' experience in RS & GIS applications for resource mapping preparation and integration of GIS dataset, derived data; experience in hydrologic	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	<p>sensing data from various sources, including satellite imagery, aerial photography and field observations.</p> <p>4. Spatial Modeling and Simulation: Develop and apply spatial models and simulations to analyze and predict water resources phenomena, such as flood inundation, water quality and sediment transport.</p> <p>5. Technical Support and Training: Provide technical support and training to Brahmaputra Board's staff on GIS and remote sensing technologies, software and methodologies.</p>	<p>application, 3D analysis and customization and experience of GIS & RS in Water Resource Sector.</p> <p>Minimum 5 years of experience in GIS and remote sensing, preferably in water resources management, hydrology or a related field.</p> <p>Good Understanding in GIS software, such as ArcGIS, QGIS or GRASS and remote sensing software, such as ERDAS Imagine or ENVI.</p> <p>Experience with spatial analysis and modelling, including spatial autocorrelation, spatial regression and spatial simulation.</p> <p>Familiarity with programming languages, such as Python, R or MATLAB and experience with scripting and automation of</p>

		GIS and remote sensing tasks.		
2. Consultant - Digital Marketing (One)	<p>1. Digital Marketing Strategy: Develop and implement comprehensive digital marketing strategies to drive business growth, increase online engagement and enhance the Board's digital presence.</p> <p>2. Team Leadership: Lead and manage a team of digital marketing Consultants, providing guidance, oversight and direction to ensure successful execution of digital marketing initiatives.</p> <p>3. Campaign Planning and Execution: Plan, execute and optimize digital marketing campaigns across multiple channels, including social media, email, search engine optimization (SEO) and paid advertising.</p> <p>4. Performance Monitoring and Analysis: Monitor and analyze campaign performance, providing data-driven insights to inform future marketing strategies and optimize campaign performance.</p> <p>5. Budgeting and Resource Allocation: Manage digital marketing budgets, allocate resources effectively and ensure alignment with the Board's goals and objectives.</p>	<p>Master's degree in Marketing, Communications or in related field.</p> <p>Minimum 5-8 years' of experience in digital marketing with at least 5 years of experience in a leadership or management role.</p> <p>Proven track record of success in developing and implementing comprehensive digital marketing strategies, leading cross-functional teams and driving business growth through online channels.</p> <p>Ability to develop and implement comprehensive digital marketing strategies that drive business growth.</p> <p>Proven ability to lead and manage cross-functional teams, providing guidance,</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

		oversight and direction.		
3. Consultant - Office Technology (One)	<p>1. Plan, implement and integrate new office technology systems, ensuring seamless transition and minimal disruption to business operations.</p> <p>2. Contribute to strategic planning, providing input on office technology solutions that drive business growth and improvement.</p> <p>3. Provide expert advice on office technology solutions, ensuring alignment with the organization's goals and objectives.</p> <p>4. Troubleshoot complex technical issues, utilizing strong problem-solving skills and experience with Linux, Microsoft OS and other office technology systems.</p> <p>5. Oversee the design, implementation and maintenance of office technology infrastructure, including hardware, software and network systems.</p>	<p>Master or Degree course in Computer Applications of Office Technology.</p> <p>Minimum of 5-8 years' of full range of office technology, implementation and solutions experienced.</p> <p>Deep understanding of office technology systems, including hardware, software and network infrastructure</p> <p>Ability to develop and implement comprehensive office technology strategies, aligning with organizational goals and objectives.</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi
4. Consultant - Data Specialist (One)	<p>1. Data Management: Design, develop and maintain databases, data systems and data analytics tools to support the Board's decision-making processes.</p> <p>2. Data Analysis: Analyze data to identify trends, patterns and insights and develop data visualizations and reports to communicate findings.</p> <p>3. Data Quality Assurance: Ensure data quality, accuracy</p>	<p>Master's degree in Computer Science/Data Science / Information Technology</p> <p>Or,</p> <p>Certifications in Data Science, Data Analytics or related fields, such as Certified Data Scientist (CDS) or Certified Analytics</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	<p>and integrity and develop data quality control processes and procedures.</p> <p>4. Data Visualization: Develop data visualizations and reports to communicate complex data insights to stakeholders.</p> <p>5. Stakeholder Engagement: Work closely with various stakeholders to identify data requirements, design data collection tools and develop data visualizations and reports.</p>	<p>Consultant (CAP).</p> <p>Minimum 5-8 years' of experience in data management, data analysis and data visualization. Familiar with data management, data analysis and data visualization tools, such as SQL, Python, R, Tableau or Power BI. Experience with data visualization tools, such as Tableau, Power BI or D3.js.</p> <p>Excellent communication and interpersonal skills, with the ability to communicate complex data insights to stakeholders.</p>		
5. Consultant – Hydrologist (One)	<p>1. Specializes in hydrology with experience in river computer modeling, hydraulic modeling and hydrologic networking using tools like SWAT, MIKE, HEC-RAS, HEC-HMS and MODFLOW.</p> <p>2. Hydrologic Analysis and Modeling: Conduct hydrologic analysis and modeling to support water resources planning and management, flood forecasting and climate change impact assessment.</p> <p>3. Data Collection and Management: Collect,</p>	<p>M. Tech in Water Resource Engineering</p> <p>Minimum 5-8 years' experience in Hydrology including experience in River Computer Modelling/ hydraulic modelling/ hydrologic networking using viz. SWAT, MIKE, HEC-RAS, HEC-HMS, MoDFLOW etc</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	<p>manage and analyze hydrologic data, including precipitation, stream flow, water quality and groundwater data.</p> <p>4. Water Resources Planning and Management: Provide technical support for water resources planning and management, including water supply, demand and allocation.</p> <p>5. Flood Risk Assessment and Management: Conduct flood risk assessments and provide recommendations for flood risk management and mitigation.</p>	<p>Master's degree in Hydrology, Water Resources, Civil Engineering or a related field.</p> <p>Minimum 5-8 years' of experience in hydrology, preferably in a consulting or research environment.</p> <p>Sound proficiency in hydrologic modelling software, such as HEC-HMS, SWAT or MIKE.</p>		
6. Consultant (Planning & Design) (One)	<p>1. Lead the technical planning and design of multi-disciplinary water resources projects undertaken by Brahmaputra Board</p> <p>2. Develop and review DPRs, master plans and strategic project proposals aligned with National Water Policy and regional development priorities</p> <p>3. Provide expert input on the incorporation of NBS in flood control, river basin development and integrated water management</p> <p>4. Coordinate with internal departments, state agencies and Ministry of Jal Shakti for technical validation and approvals</p> <p>5. Analyze project feasibility and environmental sustainability through cost-benefit analysis, hydrological modeling and impact</p>	<p>Master's Degree in Water Resources, Hydrology, Environmental Planning or Project Management</p> <p>Certification or training in project planning tools (e.g., MS Project, Primavera) or GIS applications is an added advantage.</p> <p>Minimum 5-8 years' of relevant experience in Planning, design and strategy for large-scale water resources projects.</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati

	<p>assessment reports</p> <p>6. Ensure quality control and technical accuracy in all planning and design documentation</p> <p>7. Support capacity-building initiatives by preparing guidelines, manuals and SOPs for planning and project execution</p>	<p>Preparation and evaluation of Detailed Project Reports (DPRs), Master Plans and Feasibility Studies.</p> <p>Integration of Nature-Based Solutions (NBS) in planning frameworks.</p>		
7.Consultant - Project Manager (One)	<p>1. Responsible for overall project management and coordination of design works. Ensure all works are done as per prescribed standards, applicable codes and schedules liaise between various stakeholders, manage mobilization/demobilization as scheduling guide and review team design</p> <p>2. Manage and oversee project implementation: Ensure timely completion, quality and budget adherence for Brahmaputra Board's projects.</p> <p>3. Provide technical guidance and expertise: Offer technical expertise on Water Resources Infrastructure Development, Flood and River Management and Irrigation systems.</p> <p>4. Lead and Manage a technical team: Guide and Develop a team of engineers, Hydrologists and other technical staff to achieve project goals.</p> <p>5. Engage with stakeholders and</p>	<p>PhD in Civil/ Water Resource Engineering</p> <p>Minimum 8 years of experience in managing large-scale Water Resources infrastructure projects, including design, construction and maintenance.</p> <p>Proven track record of successfully managing projects with similar complexity and scope.</p> <p>Experience in leading and managing multidisciplinary teams, including engineers, hydrologists and other technical staff.</p> <p>Familiarity with government</p>	Rs. 1,20,000/- (One Lakh twenty thousand) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	report progress: Communicate project plans, progress and outcomes to stakeholders, including government agencies, local communities and the Board.	regulations and policies related to water resources infrastructure development.		
8. Consultant - Spring shed Management & Nature Base Solutions (SSM&NBS (One)	<p>1. Prepare detailed project reports (DPRs), manage timelines and budgets and use tools like GIS and hydrological models for monitoring. Introduce innovative, climate-resilient approaches to improve project outcomes.</p> <p>2. Nature-Based Solutions: Design and implement nature-based solutions, including ecosystem-based adaptation, ecosystem restoration and natural infrastructure development.</p> <p>3. Lead planning and execution of spring-shed and watershed management projects using scientific methods and traditional knowledge. Apply nature-based solutions for water conservation, recharge and ecosystem restoration.</p> <p>4. Watershed Management: Provide technical support for watershed management, including watershed planning, watershed development and watershed conservation.</p>	<p>Master's degree in Hydro-geology, Environmental Science, Ecology or a related field.</p> <p>Minimum 5-8 years' of experience proficiency in hydrological modeling and analysis.</p> <p>Understanding of ecological principles and ecosystem services</p> <p>Familiarity with climate change impact assessments</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi
9. Consultant - Modelling	1. Numerical Modelling: Develop and apply numerical models to simulate and analyze complex water resources	Master's or Ph.D. degree in Civil Engineering, Water Resources	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	<p>systems, including hydrology, hydraulics.</p> <p>2. Model Calibration and Validation: Calibrate and validate numerical models using field data and statistical methods</p> <p>3. Development of Physical Model and study for river engineering works.</p>	<p>Engineering, Hydrology or a related field</p> <p>5-8 years' of experience in numerical modelling and analysis, with a focus on water resources and hydrology.</p> <p>Technical skills in numerical modelling software, such as MIKE, SWMM or HEC-RAS.</p> <p>Analytical and problem-solving skills, with the ability to analyze complex numerical models and data sets.</p>		on Office, Delhi
10. Consultant – R&D (One)	<p>1. R&D Project Management: Manage R&D projects related to water resources management, hydrology and hydraulic engineering.</p> <p>2. Research Gap Identification: Identify research gaps and areas for improvement in water resources management, hydrology and hydraulic engineering.</p> <p>3. Research Proposal Development: Develop research proposals and funding applications for R&D projects.</p> <p>4. Collaboration and Partnerships: Collaborate with national and international research institutions,</p>	<p>Master's or Ph.D. degree in Civil Engineering, Water Resources Engineering, Hydrology or a related field.</p> <p>Minimum 5-8 years' of experience in R&D, including experience in Managing R&D projects, identifying Research Gaps and Developing Research Proposals.</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	universities and organizations to advance R&D activities.			
11. Consultant HR-Organizational Development/Behaviour/Culture (One)	The candidate shall serve as an institutional mechanism to study, enhance and institutionalize good practices related to workplace culture, employee engagement, inter-personal dynamics, change management, ethical conduct and organizational learning. It will aim to build a work culture aligned with the Board's vision of professionalism, transparency and service excellence.	Master's or Ph.D. degree in Business Administration with the specialization in HR or Any Master Degree with relevant experience. Minimum 5-8 years' of experience in good practices related to workplace culture, employee engagement, inter-personal dynamics, change management, ethical conduct and organizational learning.	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi
12. Consultant (HR) (One)	1. Oversee end-to-end recruitment cycles including advertisement, screening and selection in line with DoPT, Ministry of Jal Shakti and other statutory regulations 2. Ensure HR practices promote transparency, merit and efficiency 3. Draft and update HR policies, manuals and SoPs as per current government norms 4. Liaise with ministries, selection committees and panel members for timely and compliant recruitments 5. Guide departments on rules related to promotion, seniority, transfer and	Master's or Ph.D. degree in Business Administration with the specialization in HR or Any Master Degree with relevant experience. Minimum 5-8 years' of experience in good practices related to — direct recruitment, promotion, deputation, contractual hiring of consultants and experts. Hands-on	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

	<p>deputation</p> <p>6. Support the contractual engagement process for project-based roles and consultants</p> <p>7. Maintain documentation for audit, RTI and internal control purposes including employee database and personal files/service records as applicable.</p>	<p>knowledge of GOI guidelines, service rules and public-sector recruitment norms will be given preference.</p>		
13. Consultant - Quality Management (One)	<p>1. Develop and implement quality management systems to ensure that civil engineering projects meet the required standards of quality.</p> <p>2. Conduct quality audits of civil engineering projects to ensure compliance with quality management systems and regulatory requirements.</p> <p>3. Implement quality control measures, including monitoring, measurement and reporting, to ensure that civil engineering projects meet the required quality standards.</p> <p>4. Provide expert guidance on quality assurance to ensure that civil engineering projects meet the required standards of quality, safety and reliability.</p>	<p>Master's degree in Civil Engineering, Quality Management or a related field.</p> <p>Minimum 5-8 years' of experience in quality management, including experience in civil engineering projects.</p> <p>Certifications in quality management, such as Certified Quality Manager (CQM) or Certified Lead Auditor (CLA), are desirable.</p>	Rs. 1,00,000/- (One Lakh) pm	Brahmaputra Board (HQ), Guwahati Or Coordination Office, Delhi

NB: Emoluments are negotiable in case of deserving candidates.

2.2 Duration of engagement:

- The initial term of engagement shall be for a period of one year from the date of joining and subsequent extension(s) if any, shall be decided on case-to-case basis depending upon requirement and performance.
- The engagement would be purely on contract basis and will not confer any right for regular appointment.
- The engagement of Expert Consultant would be on full -time basis and he/she would not be permitted to take up any other assignment during the period of contract/engagement in Brahmaputra Board

2.3 Number of vacancies: Actual number may vary at the time of engagement

2.4 Remuneration and entitlement:

2.4.1 A fixed monthly Emoluments shall be admissible as shown in Col-4 of Table at Para-2.1 against each post. The amount of remuneration so fixed shall remain unchanged for the time of the contract. There will be no increment/percentage increased during the contract period. Emoluments are negotiable in case of deserving candidates.

2.4.2 Not eligible for free Government accommodation or House Rent Allowance, LTC, Medical reimbursement claims and regular leave, reimbursement of telephone/Mobile/Newspaper bills etc.

2.4.3 The engagement is on contract basis and is not a government employment and therefore, parity and perks admissible to Government officials cannot be extended.

2.4.4 The engagement is purely on Contractual basis. The engagement in Brahmaputra Board shall not be considered as employment and it is neither a job nor an assurance for job in the Board. This engagement will not confer any right for regular appointment to the post and will not confer any right for staking any claim for it.

3. Certificate of Consultant Services: Experience certificate will be issued upon successful completion of the contract tenure and on submission/completion of all deliverables by the Controlling Officer, Brahmaputra Board.

4. Declaration of Secrecy: The Intellectual Property Rules (IPR) of the data collected as well as the deliverables produced for the Brahmaputra Board as a whole shall not be utilized or published or disclosed or part with, to a third party and any part of the data or statistics or proceedings or information collected for the purpose of this contract or during the course of the contract shall be disclosed, without the written consent of the Competent Authority of Brahmaputra Board.

The Consultants engaged by the Brahmaputra Board shall in no case represent or give opinion or advice to others in any manner which is averse to the interest of Brahmaputra Board.

5. Termination Notice: The Brahmaputra Board can cancel the engagement of consultant at any time without assigning any reason thereof. However, in normal course, it will provide one month's notice/salary to the Consultant. The consultant can also seek for termination of the Contract upon giving one months' notice to the Board.

6. Jurisdiction: The place for settlement of all disputes through negotiation, mediation, referral and also through legal media would be Guwahati and decision of the Competent Authority of Brahmaputra Board shall be final and binding to the Consultants.

7. Application and selection:

7.1 Method of application - Candidate has to submit application with CV as per proforma enclosed at **Annexure - A**.

7.2 The selection of consultant will be made on the basis of the recommendations of Departmental Selection Committee (DSC) constituted for the purpose by Brahmaputra Board. Shortlisted applicants will be invited for personal interview/presentation on specified date.

7.3 The Board will issue communication to the selected Consultants to join in Brahmaputra Board on Contractual basis within a specified date.

7.4 The candidate will be required to produce Original/Provisional Certificates in support of fulfilling the eligibility criteria such as educational qualification, experience etc. during interview and at the time of joining on Contractual basis.

8. Expected outcomes/ Performance:

Goals/targets fixed by Board and performances thereto would be reviewed quarterly by the Controlling officer.

9. Age limit: Maximum age limit is 62 years on the last date of submission of application.

10. Allowances, Leave, TA DA and other service conditions:

10.1 No other allowance except fixed remuneration will be admissible.

10.2 Leave of 8 (eight) days in a Calendar Year on pro-rata basis will be admissible. Absence beyond 8 (eight) days will result in Leave without Pay (LWP), i.e. deduction from the monthly consolidated remuneration on pro-rata basis. Such an absence of LWP may be permitted by the Controlling Officer of the Consultants.

10.3 The individual consultant may require undertaking domestic tours subject to approval of the competent authority and he will be allowed TA/ DA as per entitlement of Level-10 officers of Brahmaputra Board

11. No TA/DA will be provided for attending the interview/joining etc, irrespective of selection.

Interested candidates may apply by submitting their details as per prescribed format attached Annexure A as per the applicability of the position within 30 (Thirty) days from the date of publication in newspaper i.e. by 16.07.2025, addressed to the Secretary, Brahmaputra Board, Basistha, Guwahati – 781029. The application along with self-attested documents can also be forwarded through e-mail to: secy-bbrd@gov.in and must reach on or before closing date.
